Sumitomo Electric Industries, Ltd.

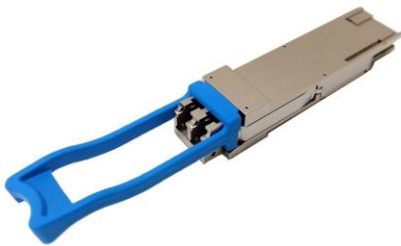

Sumitomo Electric Exhibits at OFC2019

Sumitomo Electric Industries, Ltd. and Sumitomo Electric Device Innovations USA, Inc. will exhibit its products at the Optical Fiber Communication Conference and Exposition, held in San Diego, California, USA from March 5 to March 7, 2019.

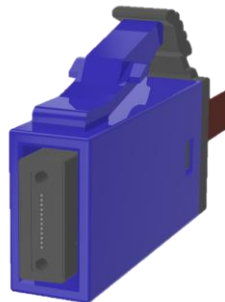

OFC is the largest global conference and exhibition for optical communications and networking professionals.

In the exhibition, Sumitomo Electric group will present its wide range of optical communications products.

We look forward to seeing you at our booth.
