(Note 1) If the total number of shares tendered in the Tender Offer (the “Tendered Shares”) does not reach the minimum number of shares to be purchased (16,681,702 shares), no Tendered Shares will be purchased. If the total number of Tendered Shares is equal to or exceeds the minimum number of shares to be purchased (16,681,702 shares), all Tendered Shares will be purchased.

(Note 2) Because no maximum number of shares to be purchased has been set in the Tender Offer, the “number of shares to be purchased” is the number of Target Company Stock, which is the maximum possible number of Target Company Stock to be obtained by the Tender Offeror through the Tender Offer (51,289,700 shares). Such maximum number is obtained by deducting (i) (a) the number of treasury shares (218,808 shares) held by the Target Company on September 30, 2025, as stated in the Consolidated Financial Results for the Six Months Ended September 30, 2025 (Under IFRS) (the “Target Company Financial Results”) published by the Target Company on October 30, 2025, (b) the number of shares of Target Company Stock directly owned by the Tender Offeror as of October 30, 2025 (51,534,901 shares), and (c) the number of shares of Target Company Stock owned by the Tender Offeror’s wholly owned subsidiaries (A.L.M.T. ## 2. Result of the Purchase

### (1) Whether the Tender Offer was Successfully Completed

The Tender Offer was subject to the condition that, if the total number of Tendered Shares failed to meet the minimum number of shares to be purchased (16,681,702 shares), the Tender Offeror would not purchase any of the Tendered Shares. The total number of Tendered Shares (43,319,442 shares) was above the minimum number of shares to be purchased (16,681,702 shares); accordingly, the Tender Offeror will purchase all of the Tendered Shares, as stated in the public notice of commencement of the Tender Offer (including the matters amended by the subsequently filed Amendment Report of the Tender Offer Statement) and the Tender Offer Statement (including the matters amended by the subsequently filed Amendment Report of the Tender Offer Statement).

### (2) Date of Public Notice of the Result of the Tender Offer and Newspaper in Which Public Notice will be Made

(Note 2) The “number of voting rights of all shareholders of the Target Company” is the total number of voting rights of all shareholders as of September 30, 2025, as stated in the Target Company’s semiannual report of the 138th Fiscal Term submitted by the Target Company (the “Target Company Semiannual Report”) on November 4, 2025 (one unit of shares is stated to consist of 100 shares). However, since shares in quantities of less than one unit are also subject to the Tender Offer, for the purpose of calculating the “ownership ratio of shares before the purchase” and the “ownership ratio of shares after the purchase,” the number of voting rights (1,038,239 voting rights) attached to the number of shares (103,823,998 shares) obtained by deducting (a) the number of treasury shares owned by the Target Company as of September 30, 2025 as stated in the Target Company Financial Results (218,808 shares) from (b) the total number of issued shares of the Target Company as of September 30, 2025 as stated in the Target Company Semiannual Report (104,042,806 shares), was used as the denominator.
