Notice of Revision to Dividend Forecast

Sumitomo Electric Industries, Ltd. ("the Company") announces the revision to the dividend forecast for the fiscal year ending March 31, 2027 announced on May 12, 2026, as follows.

1. Details of revision

Record date	Dividend per share (yen)		
	Interim	Year-end	Total
Previous forecast (announced on May 12, 2026)	19.00	20.00	39.00
Revised forecast	—	25.00	44.00
Results for current period	19.00	—	—
Results for previous period (ended March 31, 2026)	50.00	104.00	154.00

Note: The Company conducted a stock split at a ratio of four shares per common stock with the effective date on July 1, 2026. The cash dividends per share for the previous period ended March 31, 2026 are based on the number of shares before the stock split.

2. Reason for revision

Our basic policy for dividend is to maintain stable dividend payout and make comprehensive judgement based on consolidated financial results, dividend payout ratio, level of retained earnings, etc.

The Company has revised the forecast of the year-end dividend for the fiscal year ending March 31, 2027 to 25 yen per share from 20 yen per share of the previous forecast, taking into consideration the revisions to the full-year consolidated financial forecasts for the fiscal year ending March 31, 2027 announced today, which would result in an annual dividend of 44 yen per share. If the stock split is not considered, annual dividends for the fiscal year ending March 31, 2027 would be 176 yen per share.

For the details of the revised consolidated financial forecasts for the fiscal year ending March 31, 2027, please refer to the "Consolidated Financial Results for the Six Months Ended September 30, 2026" announced today.

※ This material contains forward-looking statements, based on judgments and estimates that have been made on the basis of currently available information. Therefore, the actual dividends might be different from the forecast due to various factors.
